Wall Snake is the perfect solution for long linear installations where space is at a premium. The 501 series trays are designed to allow the tray to be directly attached to a wall without brackets using integrated mounting rings located along the center spine of the tray. These mounting rings eliminate the need for additional brackets or hanging hardware to complete the installation.

Snake Tray[®] and Snake Canyon[®] products are covered by one or more of the following patents: #6,637,704, #6,637,165, #6,463,704, #6,460,812, #6,449,912, #6,361,000, #6,347,493, #6,019,323, #5,953,870, #5,839,702 and AUS #737,813. Other US and Foreign Patents Pending.
