

NEW PRODUCT RELEASE

Proud as a Peacock!

Snake Tray® cable management is now available in a full spectrum of colors to meet your cable plan requirements for code issues, aesthetics and safety needs.

- Allows for instant recognition of different services (i.e. security, fiber, safety, telecom, and fire)
- Facilitates architectural statements for open plan ceilings
- Integrated grounding surfaces allow for ground bonds to be maintained (no need for scraping or painting)
- Achieves CSI color code formats
- Available in all colors

Snake Tray® and Snake Canyon® products are covered by one or more of the following patents:
#6,637,704, #6,637,165, #6,463,704, #6,460,812, #6,449,912, #6,361,000, #6,347,493,
#6,019,323, #5,953,870, #5,839,702 and AUS #737,813. Other US and Foreign Patents Pending.
