

Basic 2' x 4' Box Empty

CM 708-SK-0565

Applications:

This fully assembled extra large ceiling mount enclosure installs in 2' ceiling grid, measures 2' x 4'. This particular model can be mounted with 12 RU of standard 19" passive rack mountable space and horizontal cable slack managers. Lockable secure door has a capacity of over 75 pounds and can be customized to user specifications to accept other component structures. Vented cover opens safely with two built-in pneumatic cylinders. Single lockable handle.

Features:

- Lockable secure lid design
- Can be fitted with 19" rack mounted panels and active equipment with a total of 12 RU
- Simplified design reduces network down time and labor costs associated with MAC work
- Constructed from 16 GA galvanized steel or aluminum with customer specified powder coat finish available
- Multiple sizes available
- Eight point built-in support brackets for threaded rod or hangers
- Multiple knockout configurations or hangers
- Additional bracket configurations available
