

Recessed Remote Equipment Cabinet

CM 708-SK-0568

Applications:

Secure consolidation point for distributed network equipment. Lessens the heat load and density in the Telecom Room (TR). Flexible mounting between studs in existing or new construction. Architecturally pleasing metal bezel with hinged door complete with vented louvers. Powder coated for seamless integration into any office environment.

Features:

- Multiple EKO's on all four sides
- 6RU Rack space, Dual mount optional
- Flush mounted lockable keyed pull latch lock
- Constructed from 16 GA galvanized steel
- Vented bottom panel
- $\frac{1}{32}$ ground studs (4)
- Available with 4 $\frac{1}{2}$ " cooling fan(s)
- Available with 4 gang utility electrical box
- Available with Palusol® fire-protection panels
- Available with perforated or Plywood back panels
- Available with recessed bezel kit
- Pre-configured and user-configurable versions
