

Solar Click-n-Go Cable Hanger – Double

Part Number	Description
CM 407-PSS-3-1250	Double Cavity Cable Hanger - Messenger Wire Mount

One Cable Hanger That Manages All the Cables For Endless Possibilities Over Any Terrain!

Snake Tray's new cable hanger designed with double cavities offers endless possibilities to manage cables up to 1250 Kcmil over a variety of terrain. Constructed of lightweight, eco-friendly rugged polycarbonate and ergonomically designed, the hanger installs quickly to reduce time and labor costs by 50% by doing the job of multiple hangers. Move all your East/West cables with one cable hanger!

- Accommodates any size cable up to 1250 Kcmil
- Holds up to 300 Lbs.
- Ultra-narrow profile, light weight and corrosion free
- Easy and fast installation reduces labor costs
- Safe installation through special click closure system
- Lightweight, eco-friendly, rugged polycarbonate construction with up to 30 years of UV protection
- Exceptional reliability in extreme weather conditions
- Compliments the Solar Snake Max XL system by feeding the cables East/West
