

Solar Click-n-Go Cable Hanger – Single

Snake Tray® Solar Click-n-Go Cable Hanger is deceptively simple in appearance, but actually is an integrated cable routing system for two 500 Kcmil cables, one ground cable and a ¼” messenger wire. A lower profile than alternative products, Solar Click-n-Go Cable Hanger reduces the chance of damage to the conductors and provides for a generous maximum load weight of 65 lbs. The unique design is suitable for services carrying #10 string wires but also strong enough for more heavy-duty cables. Holding up to two 500 Kcmil cables with no need to de-rate.

- Accommodates two 500 Kcmil cables
- Holds up to 65 lbs.
- Ultra-narrow profile, light weight and corrosion free
- Easy and fast installation reduces labor costs
- Safe installation through special click closure system
- Lightweight, eco-friendly, rugged polycarbonate construction with up to 30 years of UV protection
- Exceptional reliability in extreme weather conditions
- Compliments the Solar Snake Max XL system by feeding the cables East/West

Part Number	Description
CM 407-PSS-2-500	Single Cavity Cable Hanger - Messenger Wire Mount

SNAKE TRAY®

Snake Tray® products are covered by one or more of the following patents: #6637704, #6637165, #6463704, #6460812, #6449912, #6361000, #6347493, #6019323, #6347493, #6449912, #6460812, #5953870, #5839702, #6926236, #7168212, #7959019. Foreign Patents: Australia #737813, #748160, #749488, #776643, #776644. Canada #2251732, #2319624, #2303081, #2396792. Japan #3723224. Mexico #204995, #229386, #220889. Europe #1012938, 1012937. Other Patents Pending.
