

4.8 KW Power Distribution System for Access Floors

Snake Connect provides a complete line of 20 Amp modular wiring devices for raised floor applications. The ease of use and plug-n-play circular multi-pin connector provides fast installation, easy reconfiguration or relocation of power services and significant labor savings over conventional pipe and wire and other installations. The connectors are factory assembled and have a positive collar to ensure secure and safe connection. Snake Tray also manufactures a series of floor boxes, furniture interface modules and junction boxes to compliment the system.

- Plug-n-play connectors speed up installations
- Reconfigurations and relocations can be done instantly
- Electrical and datacom configurations can be easily modified
- Round connector design can easily pass through circular openings
- Floor boxes and furniture interface modules available to complete the system
- Junction boxes are available to facilitate a wide variety of cabling topographies
