

Snake Tray offers several styles of floor boxes that can be used under raised access floors. Raised floor enclosures are placed under or in a single 2' x 2' floor tile and come with an integrated cover. Snake Tray also offers various MUTOA style floor boxes for the workspace.

Features:

- Lockable secure lid design available
- Snake Bus compatible
- Built in cable management
- Brackets (included with most models) for attachment to raised floor support pedestals
- Multiple styles to suit your equipment mounting needs
- UL Listed
